

CONTRACTORS AGAINST CANCER

benefiting the Colorectal Cancer Alliance

August 25-26, 2024

TPC Potomac at Avenel Farm
Potomac, Maryland

Dear friends,

We are delighted to chair the inaugural Contractors Against Cancer golf tournament and concert to benefit the **Colorectal Cancer Alliance** — whose mission it is to end colorectal cancer in our lifetime. We are teaming up with celebrities, local businesses, fellow contractors and clients to bring this one-of-a-kind experience to the DMV. We are motivated to make a tangible impact on cancer and need your support to make it possible!

We are hosting this golf tournament as a way to honor the people impacted by colorectal cancer and advance the Alliance's mission. As the fourth most common and second deadliest cancer in the U.S., far too many families are experiencing the shock of diagnosis, the pain of treatment and the anguish of loss.

Colorectal cancer is extremely common, deadly, and underfunded. But it's also highly preventable with screening. Through your participation, we can get more people screened, help more patients navigate treatment so they don't feel alone, and fund innovative research to end this disease once and for all. The Alliance does it all.

This two-day event August 24 and 25 will feature a Sunday evening concert with celebrated musician Edwin McCain and special guest Ryan Cabrera. Edwin, who's been called "a great American romantic," gained national fame for his hits "I'll Be" and "I Could Not Ask For More." Ryan has been performing since the early 2000's and is best known for the hit "On The Way Down." The Sunday evening concert will include a program and live auction.

On Monday, we'll gather for a round of golf at TPC Potomac at Avenel Farm with each foursome paired with a celebrity. We're crossing our fingers for a beautiful weekend in Potomac and we look forward to an unforgettable experience of connecting with friends old and new. All of it in benefit of a critical mission. We hope you'll join us!

Thank you for your consideration, and please let the Alliance staff know how we can get you involved in this life-saving event.

Sincerely,

Doug Riley

Colorectal Cancer Alliance

The Colorectal Cancer Alliance is a national nonprofit committed to ending colorectal cancer. Working with our nation of passionate allies, we diligently support the needs of patients and families, caregivers, and survivors; eagerly raise awareness of prevention and early detection via on-time screening; and continually strive to fund critical research. As allies in the struggle, we are fiercely determined to end colorectal cancer within our lifetime.

STRATEGIC GOALS:

We will save **100,000** lives through screening by **2029**.

We will reach **750,000** patients and caregivers annually by **2024**.

We will provide **\$30 million** in colorectal cancer research funding over the next five years.

We are a nation of allies

As the largest and most established national organization focused on ending colorectal cancer, we are the go-to resource and ally for anyone touched by this disease. For these reasons, nationally-renowned corporations, industry leaders, and foundations have joined our nation of allies to end colorectal cancer within our lifetime and achieve their corporate social responsibility goals.
